August 2021 Newsletter

Just a short letter this month as we struggle through what passes as a summer! Despite which, the wildflowers have been great this year and there have been so many butterflies, as some of the lovely photos in this newsletter show. In case you've missed it, news about Ludwell Lane. And, for readers who live in Wonford, a date for your diary!

Wildflowers and Butterflies

No quiz this week - the quizmaster is on his summer holidays!
But do you know the names of the two butterflies here?

Thank you to Anne Austin Crane and Dawn Colgan for the photos.

Ludwell Lane

The County Council agreed last month to keep Ludwell Lane closed at one end permanently. As many people have commented, this has made it so much more safe and pleasant as a place to walk or cycle - our just to cross when getting from one part of the valley to the other. We know that it has made life difficult for some of

the people who live on the lane, but hope the the plan to make it open at the Lidl end, closed at the top, Pynes Hill end will help.
