The Panny Path Project is live!

Wilko has provided funding, from its one-use carrier bag charge, to carry out a range of work to improve the path that runs along the Panny - a beautiful but somewhat neglected path that runs between Wonford playing fields and Ludwell Valley Park.

You will see work going on for the next few weeks and **details of what is happening can be found [here](#)**

Bear in mind that some things are going to look worse before they look better, but there will be some instant improvements, like a new seating area, a smartened up and safer Panny bridge, a new 'pocket woodland' and new paths linking the playing fields to the Panny path.

Sixty keen pupils from Wynstream School plus staff from Exeter Wilko and local volunteers all turned out to mark the start of the project, collecting a huge amount of dumped rubbish and litter - thank you all!

Ludwell Life is an independent community group, set up to protect and enhance Ludwell Valley Park
