February 2023 Newsletter - Special Edition

Trees! We don't usually do another newsletter so soon, but wanted to remind you of this Sunday's planting in the Community Orchard and to tell you about an event Devon Wildlife Trust is running in Northbrook the following Saturday:

The Community Orchard

This **Sunday, 5th February**, meeting at 10.30, we will be planting four more fruit trees in the orchard. Devon WildlifeTrust are paying for two, Ludwell Life for one, and one of our Friends, Sheila Stevens, is sponsoring one to dedicate to her grandsons, far away on the other side of the world in Australia.

It should be a joyous morning - do come and join us if you can, to help with the planting or just to say hello.

Trees and Teas

Saturday 11th February 10am-2pm

Northbrook Park, Exeter, EX2 6LB

Meeting point: Look for our gazebo by the old car park.

Come and help Devon Wildlife Trust plant trees in Northbrook Park!

We'll be planting trees, drinking tea and discussing Northbrook Park developments.

Drop in anytime; the earlier the better to guarantee you a tree.

Under 18's must be accompanied.

Free light refreshments will be available.

Please wear clothing you don't mind getting muddy!

For more information about the event, please visit our website at devonwildlifetrust.org/events/2023-02-11-tree-and-teas-northbrook-park

Let us know your thoughts on the Northbrook Park developments using this QR code.

Devon Wildlife Trust is running this event, to start planting trees in what will become the wild arboretum in Northbrook Park, but also to talk to local people about their plans for the park and to hear our thoughts and ideas. We suspect a lot of people will be interested in this and so wanted to be sure you knew about it.

Ludwell Life is an independent community group, set up to protect and enhance Ludwell Valley Park
