Exciting news for Panny lovers!

Ludwell Life is delighted to announce that we have teamed up with Wilko, Keep Britain Tidy and Exeter City Council to deliver substantial improvements to the lovely pathway that winds along the Panny (otherwise known as the Northbrook Stream), marking the boundary between Wonford Playing Fields and Ludwell Valley Park.

As shown in the poster above, there is a public walk on Thursday February 7th, 1.30pm, for anyone to come along and find out more about what is being done - we hope to see some of you there.

Works will be underway very soon and include smartening up the bridge into the park, a new bench and seating area and habitat improvements. There will be opportunities for volunteer input so please do check our Facebook page and Twitter as the call out might be a bit last minute as we have to liaise with contractors.

Community Orchard - February 17th planting

Our January planting event was great fun and we were blessed with lovely weather yet again, not to mention lots of lovely volunteers. Come along to plant the final 5 trees of this season, with friendly atmosphere and of course the many fabulous cakes!
