*A warm welcome to Devon Wildlife Trust, who have now taken over management of Ludwell Valley Park!*

*We are looking forward to working with you to make Ludwell Valley Park a more amazing place for people and for wildlife.*

## **Creating a new seating area - your help needed!**

If you are one of the many people who think Ludwell Valley Park needs a nice place for a few people to sit together and admire the view, then now's your chance to make that happen. We want to put a group of 4 attractive benches opposite the community orchard, so a small group of people can sit and chat together. Redrow Homes have made a very generous start to our 'bench fund' **so we need to raise another £1800** to buy the benches.

If we raise the money, Devon Wildlife Trust have agreed to remove the fencing on one side of the bench area (see 'artists impression' below), which will make it a really lovely addition to the valley park.

[Chocks away, please empty the piggy bank and send us your bench donations, however small.](#)

Thank you!

## Northbrook green space saved!

Ludwell Life was one of the many voices raised against the City Council's proposed sell-off of the Northbrook pitch and putt green space. Following councillors being inundated with letters of protest, the Council has announced that it has withdrawn the idea of selling off the land for 100 homes and that it will remain as green space. A really welcome announcement, and a reminder of

how important it is for local people to care about and be watchful of plans for green spaces in the city.
